Marshalling Procedure and Information

An announcement will be made at the conclusion of the warm-up session to request competitors in the initial (usually three) events to report to the Marshalling area. Swimmers should monitor the marshalling calls frequently and should be aware of the event, stroke and heat number in which they are competing.

Swimmers are late reporting if they have been called three times and have either not been marked as present, or the heats have either been combined/re-seeded or the first heat has been handed over to the Check Starter. Swimmers who are late reporting will only be allowed to swim at the discretion of the Referee.

WITHDRAWAL FROM EVENTS

At meets run in a heats/finals format finalists (and reserves) wishing to be withdrawn from a final must do so in writing on the specified form (through the official Team Manager) within 30 minutes of the event results list being posted. Swimmers who do not appear at marshalling of a final (including reserves), who have not officially withdrawn, will be excluded from their next event.

PROTESTS

Protests affecting the eligibility of a swimmer to compete in a race in any way shall be made to the Meet Director or Referee prior to the commencement of the event. Any protests concerning the competition itself are to be made to the Referee by the swimmer’s Team Manager in writing. This is to occur within thirty minutes of whatever has caused the protest, for example within 30 minutes of the announcement of disqualification.

Protest fee \$50 - if the protest is dismissed by the Referee the money will be returned. If the protest is upheld the money will be forfeited.

VOLUNTEERS

Never take volunteers for granted!!

Volunteers are the lifeblood of the club. They dedicate hours of time and energy working in a variety of ways to assist with the success and prosperity of our swimming clubs. They may be members, past members, devotees, friends or relatives and are truly the unsung heroes of all our clubs.

Warm Up and Swim Down Pool

Initial warm up will be in the competition pool from 7:45, 3:15pm, 8:45am & the conclusion of the morning session. Once competition has commenced, warm up and swim down facilities will be allocated in the 25m pool. *Royal Life Saving are holding Swim And Survive lessons until 9:30am Sunday morning.
