## **WARM UP PROCEDURE**

In the interest of swimmer's safety, the following general pool procedures for the competition pool must be observed throughout the meet:

All lanes in the main competition pool, with the exception for lane 1, is NO DIVING, with entry to the lane 'feet first, from starting position'. Swimmers can only push start and should observe a 'keep left' rule at all times.

Lane 1 (start end) is reserved through the whole of the warm up period for dive sprints and walk backs. Swimmers must clear the lane immediately and must use caution when doing backstroke starts.

The usage of lane 7 will change. Up until 15 minutes before the end of warm up, it is reserved as a circle swimming lane. For the last 15 minutes it is reserved for dive sprints and walk backs and turn practices as per the lane 1 instructions.

Lane 2 is reserved throughout the whole of the warm up period for Race pace work only.
