MARSHALLING PROCEDURE

Any swimmer who fails to report personally to the Marshal at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered shall be deemed to be withdrawn. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Marshal. All heats (including heats of 800 metres and 1500 metre freestyle) shall be deemed to be one event for the purpose of this rule.

For Example: If entered in Event 9, the swimmer must have personally reported to the Marshal **before the start of** the first heat of Event 7.

NOTE: Once swimmers have reported to the Marshal they must remain in the Marshalling Area until directed to their starting positions by the Check Starter. Failure to remain in the marshalling area may result in the swimmer being debarred from that event.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.18.

In the event of there being sufficient withdrawal from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by, and be subject to all the rules, policies and procedures of the meet as decided from time to time by Swimming New South Wales Ltd.

WARM UP PROCEDURE

In the interest of swimmers safety, the following general pool procedures for the MAIN COMPETITION POOL must be observed throughout the meet:

All lanes in the Main Competition Pool, with the exception of lane 1 is NO DIVING, with entry to the lane “feet first, from a sitting position”. Swimmers can only push start, and should observe a “keep left” rule at all times.

Lane 1 (Start End) is reserved throughout the whole of the warm up period for dive sprints and walk backs. Swimmers must clear the lane immediately, and must use caution when doing a Backstroke start.

The usage of lanes 8 will change. Up until 15 minutes before the end of Warm Up it is reserved as a circle swimming lane. For the last 15 minutes it is reserved for dive sprints and walk backs and turn practice as per the Lane 1 instructions.

Lanes 2 & 7 are reserved throughout the whole of the warm up period for Race Pace work only.

Lanes 3 to 6 are reserved throughout the whole of the warm up period as circle swimming lanes.
