2019 Speedo Sprints

Saturday 9th February

Manilla Swimming Pool

A Message from the President

Welcome to all competitors and their families to the 2019 Swimming New England & North Speedo Sprints Heats.

To all swimmers: thank you for participating today, swim your best and enjoy yourselves!

Thank you to the Swimming New England & North West Board, sponsors, officials, parents, helpers and volunteers: without whom this championship meet could not happen.

Special thanks also to the **Manilla Swimming Club** for hosting this event today.

Thank you to our parents, families and friends, for without you, the swimmers would not be able to participate in this wonderful sport of swimming.

Have a fantastic morning of swimming and travel safely home.

Susanne Kable

President

MARSHALLING PROCEDURES:

Any swimmer who fails to report personally to the Marshal at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered shall be deemed to be withdrawn. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Marshall. All heats (including heats of 800 metres and 1500 metre freestyle) shall be deemed to be one event for the purpose of this rule.

For Example: If entered in Event 9, the swimmer must have personally reported to the Marshal **before the start of the first heat of Event 7.**

NOTE: Once swimmers have reported to the Marshal they must remain in the Marshalling Area until directed to their starting positions by the Check Starter. Failure to remain in the marshalling area may result in the swimmer being debarred from that event.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.

In the event of there being sufficient withdrawal from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by, and be subject to all the rules, policies and procedures of the meet as decided from time to time by Swimming New South Wales Ltd.

WARM – UP PROCEDURE

In the interest of swimmer’s safety, the following general pool procedures for the MAIN COMPETITION POOL must be observed throughout the meet:

Entry to all lanes in the Main Competition Pool will be “feet first, from a sitting position”. Swimmers can only push start, and should observe a “keep left” rule at all times. The exception to this rule is lanes 1 & 6 during the last 15 minutes of the warm up period.

The usage of lanes 1 & 6 will change. Up until 15 minutes before the end of Warm Up it is reserved as a circle swimming lane. For the last 15 minutes it is reserved for dive sprints and walk backs and turn practice. During the last 15 minutes swimmers must clear the lane immediately, and use caution when doing a Backstroke start.

Lane 2 is reserved throughout the whole of the warm up period for Race Pace work only.

Lanes 3 to 5 are reserved throughout the whole of the warm up period as circle swimming lanes.

STARTING INSTRUCTIONS:

When the swimmers have been placed behind the starting platforms, the starter will announce the event and heat number, e.g. Event 4 Heat 3

On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.

On the command "**Take your marks**", the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.

When all swimmers are stationary the Starter shall give the starting signal.

Any swimmer starting before the starting signal has been given, shall be disqualified, If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.

Swimmers must finish in the lane in which they start, and remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.

In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.

In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

NOTE: If, because of the length of the program, "Starting over the top" is used, swimmers from the proceeding heat are to move to the side of the lane, **and remain still**. When the next heat has started they should leave the pool by the sides as quickly as possible.
