

# Parramatta City Swim Club

Est. 1951

WELCOME to Parramatta City Swim Club Incorporated.

We have all been in your position at some point in time when, as new members, we've been faced with the daunting prospect of finding out who's who, who does what, what the Club has to offer and, if you wish, what you can do to help the Club. From speaking with new members such as yourself, we have realised the need to address some of these matters by means of this Welcome Pack. We hope you will find it useful.

As with most Clubs and Societies, there are a set of Rules which all members are expected to follow. We have a Constitution and By-laws, which sets out the aims of the Club and how these aims are achieved. In addition to these, we have a set of Club Race Rules that provide the details on how our weekly races are conducted. It is very important for you to read and become familiar with the Club Race Rules.

In addition to the **Club Race Rules** the Welcome Pack also contains:

- **Club Race Program.** This has which races can be entered each week of the season along with a lot of other useful information.
- **Club Committee List:** This should help you determine who to talk to about your specific issue.
- **NSW Swimming Parents Guide:** A useful background document on the structure of Swimming in NSW.
- **List of Fees:** The various fees you may have to pay.
- **Club Clothing List:** Articles of club clothing you can purchase at very reasonable prices
- **Frequently Asked Question:** Hopefully this may provide you with some of answers to those burning questions you have.
- **Learn-To-Swim Information:** Details on the club's learn-to-swim program
- **Point Score Sheet:** This will help you record your times and calculate the number of points you have scored

All members are welcomed to attend our monthly club meeting. These are usually held on the 3<sup>rd</sup> Saturday of each month after club races. The meeting dates are shown on the race program so you do not have to worry about working out when they are.

Meetings are held in our club meeting room and are a reasonably informal affair. Attending club meetings gives you a chance to meet other members of the club, learn

about what is happening and give you an opportunity to provide your input into the running of the club. The club is always looking for good ideas, so come along and join in.

The club is always looking for volunteers to help with Saturday morning races. With the appropriate number of volunteers races start on time and run smoothly which helps everyone to have an enjoyable morning. Volunteering is also a great way to make friends and find out how things work in the club. If you wish to become more involved with the club, the club's various committees are always looking for new members

Whether you just want to attend our club races as a "social swimmer", or whether you are more serious about training and competitive swimming, you will always be made welcome and it is hoped that your membership with this club will be a long and happy one.

The Committee
