MEET PROCEDURES

The Meet Director reserves the right to amend the program & conditions of entry. This Meet has been approved by Swimming Metro North West and will be conducted according to the rules of Swimming NSW Ltd.

OBTAIN A PROGRAM and check your name against event/s. If incorrect immediately see the chief recorder.

MARSHALLING PROCEDURES

Any swimmer who fails to report personally to the Marshal at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered in shall be deemed to be withdrawn. Once reported, a swimmer is not permitted to leave the marshaling area unless approval is first obtained from the Marshal.

For Example: If entered in Event 10, the swimmer must have personally reported to the Marshal **before the start** of the first heat of Event 8.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW 10.17.

In the event of there being sufficient withdrawal from the heats of an event, which would enable the number of heats to be reduced, the referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by, and be subject to all the rules, policies and procedures of the meet as decided from time to time by Swimming New South Wales Ltd.

WITHDRAWALS

If you wish to withdraw from an event, please notify the Marshall as early as possible. Swimmers who fail to report to the Marshal by the specified time shall be deemed a withdrawal.

STARTING INSTRUCTIONS

1. This meet will be conducted under the one start rule.
2. When swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
3. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
4. On the command "Take your marks", the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay Event, their starting position in the water and remain stationary.
5. When all swimmers are stationary the Starter shall give the starting signal.
6. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
7. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.

POOL ACCESS POLICY

Ryde Carlile Swimming Club recognises that, from time to time, various people have the need to access the area of competition during swim meets. By necessity access to this area is restricted and only persons authorised by Ryde Carlile Swimming Club are permitted access.
