## SOUTH SHORE SWIMMING CLUB SUMMER TROPHIES

### TOP 5 CLUB POINTS

Points are awarded for each race in which a swimmer competes towards Points Trophies at the end of the Summer season. Points trophies are awarded to the top five swimmers for Summer based on the amount of points they have accumulate from 50m and 100m form stroke races. Top point scorer has their name placed on the Perpetual trophy – The Dwayne Favazzo Memorial Trophy.

Swimmers are awarded points for: participation; the swimmer's placing in each race; and their performance against their Personal Best (PB) or 'Seed Time' set at previous club nights.

Points are awarded as follows:

- 1 point for each swim, and
- 3 points for the most improved
- 2 points for the 2<sup>nd</sup> most improved
- 1 point for the 3<sup>rd</sup> most improved

Points are also awarded based on the percentage improvement on the swimmer's PB as per the table below.

Improvement on PB	Points Awarded
➤ 5%	8
>3% up to 5%	6.5
>2% up to 3%	5
>1% up to 2%	4
0% up to 1%	3
Being within 1% of PB	2

## **HANDICAP TROPHIES**

To qualify for a handicap trophy a swimmer must be a financial member, be in the correct age range and have completed at least THREE swims in the particular event during the relevant season.

All handicap trophy races are swum as heats and finals. The heats are swum under a hidden or blind handicap system with all swimmers going with the starters buzzer. The swimmer progressing to the final is not necessarily the swimmer who touches the wall first in the heat, but the swimmer who improves their personal best time (PB) by the greatest amount or swims closest to their PB.
