Rules Governing the Sunshine Coast Club Challenge

The Burnett Fraser Club Challenge meet will be conducted according to Australian Swimming and Queensland Swimming Rules.

All participating clubs must be affiliated, and all swimmers must be registered with Swimming Queensland and Wide Bay Regional Swimming Association.

The Referee has the power to control events at his/her discretion.

Events will be called in advance at the discretion of the host club by public address and / or visual display. Competitor's names will be not called.

No person shall enter the water between events.

Timed finals will be swum for all events.

Swimmers must compete only in their age group as specified in the program, or Open events where applicable.

Swimmers who do not report to the marshalling area, or who leave the marshalling area before being told to do so, will be disqualified.

Swimmers must swim in the lane allocated by the check starter.

Heats may be consolidated at the discretion of the Referee, but will not be reseeded.

Swimmers must be ready to take their position on the starting blocks when signalled to do so by the Referee.

The "One Start Rule" will apply throughout.

"Over the Top" starting will apply at the discretion of the Referee.

Feet first entry for all Backstroke events will apply on the day.

Junior Rule Tolerances will apply to all 7yrs & Under events

No individual medals will be awarded on the day. All points won will be awarded to the club aggregate for the day. Cash prizes of \$400.00 (1st) \$250.00 (2nd) \$150.00 (3rd) will be awarded to the clubs based on aggregate points and the handicap system applied.

Cash prizes of 3 x \$50 will also be awarded for team spirit awards on the day.

Handicap procedures will be in place to assist smaller clubs attending in competing equally with larger clubs.

Points for all swimmers will be allocated on an 'improvement' points basis for each individual swimmer. A full list of how points are allocated is available on the Wide Bay Swimming website. Points will be allocated to each swimmer within a range of the entry / seed time (The entry / seed time must be the current fastest LC time achieved since 1 January 2015, for that swimmer in that event).

Swimmers with an NT (no time) seed time will be awarded 2 points for their swim.

Handicap points will be determined by the simple method of dividing the number of nominated swimmers from a club into the number of points earned for that particular club. i.e. if a club has earned 50 points and has 10 swimmers, then that club's overall points for the day will be 5. Please note that a club needs to have a minimum of 5 swimmers nominated to be eligible for the overall cash prizes.

The 200 metre form strokes as well as all relay events will not count towards club points. The 200 IM

events will however accrue points.

A Team Representative must submit protests to the Referee in writing, together with a deposit of \$50 and within 30 minutes of the posting of result.

No individual age champions will be awarded on the day.

Clubs must provide time keepers as per the roster in the meet program.

Psych Sheets will be displayed on the WB website once nominations close. Please email errors within 24 hours of psych sheets being displayed.
